

DVD FOR GRADUATION EXERCISES

In order to preserve a reverent and prayerful atmosphere in our church for graduation, we will be offering a DVD of the Graduation Exercises that will take place on Friday June 18 at 7:00p.m.

If you wish to order your DVD, please reserve a copy by returning the form to the school office and enclosing \$40.

STILL DIGITAL PHOTOGRAPHS will be taken by a different professional photographer. Those photos will be available for purchase as well. Proofs will be posted on the internet and orders will be taken on the internet. Those photos, along with the DVD, will be delivered to the school for your pick up. You do not have to reserve the still digital photographs now. Once the still photos are taken, you will be given a password to log on to the site and choose your photos.

Payment will be collected after you choose those photos.
